Hit Me Baby One More Time!

by maerelle

Summary: This is a li'l spoof of Britney's song... sang by Himemiya of course =) Could you guess who in Utena do I not like?

     Hit Me Baby One More Time!

Authors notes: THOSE WHO ACTUALLY LIKE ANTHY HIMEMIYA, WHATEVER YOU DO, DON'T READ THIS
>OR YOU MIGHT GET OFFENDED... A LOT OFFENDED! Sorry, I just hate that b*%#@. Anyway, I
know that there are still those out there who hate her too (I guess). Besides, this is
>my way of expressing my Anti-Himemiyanism. JA!
DISCLAIMER: the tune obviously isn't mine, but the lyrics basically are. Himemiya is a
>character from Revolutionary Girl Utena, therefore belonging to those who made the
anime/manga.

Hit On Me Baby One More Time
>(Sang with the tune of Britney Spear's 'Hit Me Baby One More Time')
>Oh baby baby, my name is Himemiya
And I'll be your Rose Bride

>Oh baby baby, I'll do anything for you
Cuz I don't have a mind

>Show me how you want it to be
Tell me baby, cuz I dropped my brain yeah, and because
>
My stupidness is killing thee
>I must confess that I'm so weak (idiotic too)
I will sleep with you even if you do mind
>And I'll even say, slap me Saionji one more time!
>Oh Utena-dear, the reason I live is you
I keep you away from Kiryuu
>Oh my prince darling, there's nothing that I would do
Because I don't know anything
>I don't even know how to fight
Some ask Miki what he sees in me, oh because
>
My being this is killing thee

>I do admit I lost my brain (somewhere)
All I know is to paint the roses
>Red, blue and green, let's not forget tangerine!
>Oh Utena-dear, what do I really know
Oh Utena-dear, I would never-ever let you go
>I must confess that my being here is killing you now
Don't you know that I'm too stupid
>To see that if you are here, you will die
But hit on me baby for the second time!
>
I am sick, I don't have a mind
>I am blind, my prince I'll find (prince I'll find)
When I'm in the scene, everything self-destructs
>Cuz I'm a curse, someone hit on me one last time! <p><p>
